CRWC signs MOU with MSTC for providing Logistics Service in North Eastern Region

New Delhi : The Minister of State (Steel) Shri Vishnu Deo Sai inaugurated the Workshop on MSTC's vision for North East Region for Promotion of Agri-Forest Produce in Guwahati in partnership with Central Railside Warehouse Company Ltd (CRWC) on 3rd March, 2017.

Speaking at the workshop, the Minister said that the North-East Region is endowed with a climate for rich agri and forest produce but the growers do not have any market access for their produce and are compelled to be exploited by middle men leading to a very pitiable situation for them. The situation is also aggravated due to the lack of proper logistic supports in the region.

On this occasion, CRWC has signed an MOU with MSTC, a PSU under the Ministry of Steel, for providing Total Logistics Solution, which will help in catering to the needs of the entire sister states of the North-East.

CRWC, in association with MSTC and NERAMAC will help evolve an ecosystem for marketing of agri-commodities bringing the buyers and sellers closer and extending the benefits directly to the farmers. MSTC will offer its e-commerce portal to facilitate online auction and sale of agri-commodities from the north east. NERAMAC, with its local sourcing network and experience will bring farmer's produce for display and sale on the portal. CRWC will provide end-to-end logistics solution to benefit both the buyers and the seller.

The Minister appreciated efforts in developing an eco system bringing all the enabling partners such as Central Railside Warehouse Company (CRWC), Logistics Company, North-Eastern Regional Agriculture and Marketing Corporation Ltd. (NERAMAC), and Inland Waterways Authority (IWA). The above ecosystem will not only improve the financial status of the growers but also prevent the crops from colossal wastage and make niche products available to the rest of the country. This collaborative effort may Play an important role as envisaged in the Government Policy for the development of the north-east region.

CRWC, a PSU under Ministry of Consumer Affairs, Food & Public Distribution, is a Central Railside Warehouse Company Ltd. is a Mini-Ratna, Government of India Enterprises under the Ministry of Food Consumer Affairs & Public Distribution. It was set up in the year 2007 under an MOU with the Indian Railways to provide Quality Transit Warehousing at the Railway Sidings in the country to facilitate storage and efficient handling of rail borne cargo and faster turnaround of rakes. CRWC is offering Total Logistics Solution to its clients. CRWC has an MOU with Inland Waterways Authority of India (IWAI) for Operating Pandu Port. Pandu Port has a barge terminal, Railway Siding and Warehouse. It can cater cargo via Road, Rail and Waterways.

CRWC is making all efforts to convert Pandu Port into a Gateway Terminal for North East.
